Parent /Caregiver

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe _____ (Name of student) understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.

Buddina State School is a Sun Safe School and as such we provide each classroom with sun block. Your permission is required to allow your child to use this sun block.

I give / I do not give (please circle) my permission for school sunblock to be applied to my child whilst at school.

- I would prefer my child to use their own sun block which will be kept either in their bag or with the teacher as agreed.
