Tips for Year 1

Fruit Break

- Please have a small piece of fruit or chopped fruit in a container in your child’s lunchbox. They will take it out at fruit break time.

Labelling

- Please label all items except for pencils, lead pencils, rubbers and glue. These items are shared and do not require a label. Please make sure your child’s name is clearly written on all other items.

Notes

- We try to send notes home on Mondays and Wednesdays (these are the days our homework folders are at school), however this is not always possible. Please ask your child at the end of the day if they have something to give you.

Starting the day

- Doors open at 8:30am. Please make sure your child is ready to start the day by helping them to sharpen pencils and complete any activities that are on their desks.

Meeting with the teacher

- If you have something you would like to discuss with the teacher, please make an appointment time. We are happy to answer any small queries in the morning but we are busy preparing for the day and have limited time available.

First Day

- Please make sure you bring all the items from the book list on the first day. We will spend the morning sorting and storing these items. Thank you for your co-operation.
