Welcome to the Buddina State School Outside School Hours Care page!

In partnership with Camp Australia we aim to deliver a well planned, exciting and organised program of activities and experiences suited to primary aged children! Through these experiences the children will develop positive values towards a physically active lifestyle, enhance their self esteem, independence, leadership skills and nurture relationships with their peers. Programs are designed to enhance the development of children’s skills, knowledge and understanding in physical, social, emotional and intellectual areas.

Interested in using the Service? Next Steps:

To help us provide a quality service that meets the National Standards, and State Regulations, all families must complete a Camp Australia Online Enrolment at www.campaustralia.com.au prior to utilising the Service. This is to ensure that we have the correct child and guardian information, are notified of any medical or development needs, and know your booking choices, billing procedure and Child Care Benefit information.

Bookings

After completing the Online Enrolment Form, you will be able to manage your account & bookings via our Parent Portal. At Camp Australia we have two types of bookings:

Permanent Booking: These bookings carry over each week until notification of a change to the booking is received by Camp Australia. These must be weekly bookings for the duration of the term.

Causal Booking: Casual Bookings can be made right up to the session commencement time. The Casual Booking fee attracts an additional cost on top of the Permanent Fee, as we will need to arrange for additional food, resources and potentially staff.

Cancellations

Cancellations need to be made a minimum of 7 days prior to the scheduled date of attendance at the Service to avoid incurring the session fee. Cancellations made with less than 7 days notice will incur the full fee of the booked session, and will be deemed as an Allowable Absence. In accordance with Camp Australia policy and in line with Government regulations, a Doctor’s Certificate will not be accepted as a reason for non-payment of a booked session.

If you do need to cancel your child/children’s attendance for a service, please let us know – that way we are sure your child is safe. Cancellations need to be made by the Parent or Guardian, not by the child.

We hold the safety of your children as being paramount, and so require all children to be signed in and out of each session by an authorised adult. We will only allow those people you nominate on your Enrolment Form to collect your child/children.
